

Dear Teacher:

Enclosed are the following:

- **Copy of the lesson your banker will be teaching;**
- **Details on the poster contest for students.**

Your banker will need an **overhead projector or document camera** and a **transparency pen** for the lesson. All students will need **pencils**. Please make sure that all the necessary supplies are provided.

Your banker has been told that **you will remain in the classroom** while he/she is teaching. Please remember, the volunteers are not classroom teachers. They talk with adults most of the day. Sometimes your re-wording of a question or posing an example can move the lesson along.

Please contact your banker to confirm the time and date they will be visiting. You should have received information about your banker via email, but you can also log-in to the registration system at [teachchildrentosavedayde.org](http://teachchildrentosavedayde.org) and look under "My Classes" for your banker's name and contact information.

Please see attached flyer for details about a logo/slogan contest for your students.

We will be sending a certificate of appreciation for the volunteers electronically. However, if your students would like to send a thank you as well, they are always appreciated.

We appreciate your willingness to participate in **Teach Children to Save Day**. If you have questions, feel free to contact the Teach Children to Save Day Coordinator, Jen Magaw at [teach2save@udel.edu](mailto:teach2save@udel.edu) or by phone at 302-831-2559.

Sincerely,

Bonnie Meszaros, PhD  
Associate Director  
Center for Economic Education & Entrepreneurship
